INTRODUCTION:

Start with a brief introduction that includes the book title, author, and a general idea of the genre or main theme.

PERSONAL IMPRESSION:

Write a sentence about your overall impression of the book. This can include your thoughts on the story, themes, or characters.

BOOK HIGHLIGHT:

Mention a specific highlight that stood out to you. This could be a particular character, a memorable scene, or the author's writing style.

PERSONAL RECOMMENDATION:

Conclude with a statement about who might enjoy the book and why.

SAMPLE REVIEW (this is what should be added into Beanstack:

In *A Good Girl's Guide to Murder* by Holly Jackson, high school senior Pippa Fitz-Amobi decides to re-investigate a closed murder case for her final year project, uncovering layers of her town's dark secrets. This is a gripping mystery novel that kept me hooked with its clever plot twists. The methodical approach Pippa uses to tackle the investigation provides a compelling look at how old evidence and new perspectives can cast doubt on what seemed like resolved facts. I highly recommend this for fans of intricate mysteries and those who love a strong, smart female protagonist. Written by Laura Gary-Michel.
